

# Samer Nasr

Laravel developer

## Profile

Motivated and detail-oriented junior web developer with hands-on experience in Laravel and a strong foundation in web development principles. Seeking an opportunity to contribute to a dynamic team and grow my skills in developing robust web applications. Proficient in PHP, JavaScript, HTML, and CSS, with practical knowledge of frameworks such as Laravel, React, Livewire, and Tailwind. Adept at utilizing tools like Git and MySQL for version control and database management. Eager to apply my skills in creating innovative web solutions and enhancing user experiences.

## Education

**Bachelor Degree in Computer Science , AUL University**  
January 2022-July 2024

**High School Diploma , Jamil Lahoud , Baabdat**  
July 2018

## Internships

### **Laravel Developer Internship at Xpertbot**

September 2023-January 2024

During my Laravel developer internship, I gained substantial experience in developing and maintaining web applications using the Laravel framework. My role involved collaborating with senior developers to build robust, scalable, and secure web solutions.

Key Achievements: Web Application Development, Database Management, Frontend Integration, Code Review and Testing, Version Control, API Integration.

### **Flutter Mobile Development Internship at Xpertbot**

January 2024-April 2024

I developed and maintained cross-platform mobile applications, implementing features and UI components using Dart and the Flutter framework. I collaborated with designers and backend developers to deliver seamless, high-performance mobile experiences.
